All students pursuing the Dietetics Option must apply for admission after completion of and/or during concurrent enrollment in the Pre-Dietetics courses.

Pre-Dietetics courses (in blue shading) must be completed and/or enrolled in prior to applying to the Dietetics program.

Dietetics courses (in red shading) can only be completed by Dietetic students who have been admitted into the Dietetics program.

A grade of "C-" does NOT qualify as a passing grade for classes that require a minimum grade of "C".

Required courses (without shading) are upper-division courses that can be completed in the junior year prior to admission to the Dietetics program.

Courses listed in BOLD are required for application to a dietetic internship, GPAs in the application will be calculated using these classes.
